In order for an authorized contractor to do any work in, on, under or around streets, sidewalks and property belonging to the Town of Ayer, it will be necessary for him to furnish simultaneously with the submittal of this application, a License and **Permit Bond in the amount of Five Thousand Dollars (\$5,000.00)** or an amount equal to 100% of the construction costs of any proposed water connection located within or on public property, or an amount approved by the Superintendent, whichever is greater shall remain in full force and effect for a period of one (1) year from date of acceptance by the Town of the contractors last service connection. This bond will guarantee that the Contractor will comply with the statutes, regulations, or ordinances of the Town of Ayer's by-laws and "Water and / or Sewer Rules and Regulations". The license and permit bond shall be duly executed by the Principal of the Contractor and by a Surety Company qualified to do business under the Laws of the Commonwealth of Massachusetts and satisfactory to the Superintendent, shall be submitted to the Superintendent within thirty (30) days from date of the written notice that the contractor is approved as an authorized water main and water service connector. Also, a Certificate of Insurance must be submitted with the minimum following coverages or greater as approved by the Superintendent:

1. General Liability - \$100,000.00 Property Damages
 \$100,000.00 - \$300,000.00 Bodily Injury
2. Automobile Liability - \$100,000.00 Property Damages
 \$100,000.00 - \$300,000.00 Bodily Injury
3. Workmen's Compensation and Employer's Liability
4. Insurance shall include coverage for collapse and underground structures
5. Insurance shall include coverage for projects/completed operations

All above insurance coverage shall remain in full force and effect for a period of at least one (1) year from the date of acceptance by the Town of the last service connection installed by the contractor. The Contractor shall take all responsibility for the work and take all precautions for preventing injuries to persons and property in or about the work. The Contractor shall pay all debts for labor and materials contracted for or by him on account of the work and shall assume the defense of, and indemnify and save harmless, the Town of Ayer and its Officers and Agents, from all claims relating to labor and or alleged infringement of inventions, patents, or from injuries to any person or corporation or to damages to any property or any person or corporation caused by the acts of negligence of the Contractor or any of his agents ,or employees, or of any subcontractor or any agents or employees of any subcontractor, in doing the work or in consequence of any improper materials, implements or labor used therein.

- A. The Contractor shall **NOT** perform any work in, on, under or around streets, sidewalks and-property belonging to the Town of Ayer until a **License and Permit Bond and a Certificate of Insurance** is approved by the Superintendent of Public Works and the Contractor has received written notice that they are approved and are on file at the Department of Public Works Office.
- B. **Any installer new to Ayer must include three (3) letters of reference from area towns.** Approved applicants will renew Authorizations, License and Permit Bond and Insurance by January 1st of each ensuing year.
- C. Applicants for authorization are required to pay a filing fee of \$100 (per authorization), annually payable to the Town of Ayer, all of which will be refunded to the applicant if rejected.
- D. The contractor must obtain all required permits including water and / or sewer service application, Road Opening Permit and Trench Permit.
- E. The contractor must have no outstanding past due balances with the Town of Ayer.

This permit expires on December 31 of the calendar year granted.
