Minutes:

In a letter (attached) the Town Administrator asked that the minutes be revised to include his 2nd set of proposed revisions claiming he took them from the video of the meeting. Mr. Callahan wants the minutes to reflect that the Office Manager (Ms. Sullivan) was asked if the 2009 and 2010 minutes were on the town website and she stated that she believed they were. He also wants it noted that the minutes were put up the next day. Ms. Nehring asked that the minutes be revised as to her statement changing the "how to why" Mr. Fermanian said no -we are not changing everything in the minutes. Rick Roper stated that Ms. Sullivan takes notes and writes minutes, he's not comfortable with everyone revising the minutes and maybe they should all watch the video. Mr. Callahan said "she's wrong". Mark F. stated that was his opinion not the boards.

Alene Reich motioned to table the minutes until the board reviews the video tape.
