MONTHLY REPORT SELECTMEN FIRE DEPARTMENT MARCH 2017

- National Grid has been a partner with the Ayer Fire Department for several years now, supporting our efforts to educate the students in fire safety. In March National Grid donated one thousand dollars to the department to support the S.A.F.E program. The acronym stands for Student Awareness of Firesafety Education. Todd Johnson and Scott Farrar delivered the thousand dollar check to Chief Pedrazzi at the Fire Station. (picture attached)
- March 21st Fire Department members assisted Nashoba Valley Chamber of Commerce with the Taste of Nashoba. The members drive busses to shuttle patrons from satellite parking areas into the event that is held at the gymnasium at Lawrence Academy. The event raises money to assist with the S.A.F.E. program. The department garners five dollars for each ticket sold at the Fire Station, and is given a donation for assisting at the event. This year's event netted five hundred and ninety five dollars for the S.A.F.E. program.
- Fire runs March - 58
- Ambulance Runs March - 102
- Ambulance revenue March- \$46,406.91
- Permit receipts March - \$850
