- **Meeting Minutes**
 - CM motioned to approve meeting minutes from January 17, 2012; AW second
 - Motion approved unanimously
- **Net Metering Update**
 - CM will invite representative from Sage Stone to meeting with GCC to be scheduled for next week.
 - CM will share information on Sage Stone proposal with GCC members via email.
- **Solarize Ayer Update**
 - GCC would like to move forward with “Solarize Ayer” project grant application, which would provide funding for administrative assistance and technical support to residents of Ayer interested in installing solar modules on rooftops.
 - Under this program, a contractor would be selected to provide the installations, contracting directly with the homeowner; expedited financing would also be a benefit of the program.
 - CM will follow up with RP and the Town of Harvard for additional information on the RFP process and details of the grant program (the Town of Harvard has already received such a grant and is implementing a similar program).
- **Cleaner Ayer April 21 , 2012**
 - The GCC would like to coordinate with Cleaner Ayer on April 21, 2012.
 - Celebration of GC designation will coincide with this event.
 - CM will follow up with MassSaves to staff info booth.
 - CM will also follow up with Transformation Solar to staff info booth.
- **Next Meeting: Tuesday, March 6 at 7 PM**
- **Adjourn Meeting at 8:05 PM**
