

## **Ayer Oral History Project Volunteer Opportunities**

The Ayer Oral History Project has plenty of volunteer opportunities! Whether you are a high school student in need of volunteer hours, a scout looking to serve their community, or a citizen historian looking to help us with our project, we welcome your help!

If you'd like to volunteer your time for our project please reach out to the Ayer Historical Commission by emailing [historicalcommission@ayer.ma.us](mailto:historicalcommission@ayer.ma.us)

We have specific areas of the project we need help with including:

### **Interviewing**

If you are interested in interviewing please contact us. We will set you up with all the forms you'll need to complete and help you every step of the way.

### **Video Production and Editing**

After the interviews are completed we would like to compose a video of the interview and include any pictures or subtitles needed. If you are skilled in the area of video production or editing please contact us.

### **Transcribing**

Oral history not only includes the recorded interview but also the transcription to accompany it. Transcriptions need to be accurate and available for personal and public use. Each interviewee is guaranteed a copy of the interview transcript when they agree to be interviewed. If you are interested in helping us transcribe our interviews please reach out!

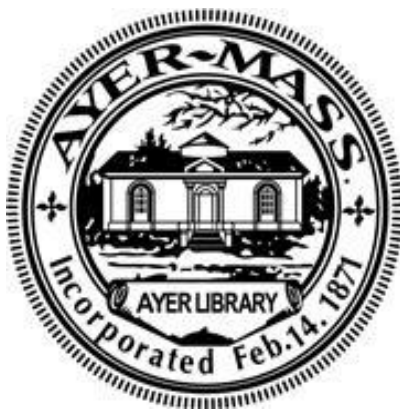

## References

We are always looking for new people to interview or people interested in volunteering!

## Paperwork

If you provide any volunteer hour paperwork we will be happy to sign off your hours for you.

Thank you for helping us with our project and assisting us in preserving our town's history!
