Three Day Clinics

The Panther Clinics are an extension of the Ayer-Shirley recreational program seasons. They are a low cost, high energy set of sessions that the coaches put together to review many of the skills they have learned over the past season and to help prepare them for the upcoming seasons in the fall and winter. Both the Boys and Girls Clinics will be June 25-27 at the ASRHS gym. The girls' sessions will be from 8:30-11:30 and the boys' will be from 12:00-3:00.

The clinics are open to all 2017-18 AYB, SYB and ASYB registrants entering grades 3-8. There will be separate clinics for boys and girls offering varying levels of instruction based on age and ability. The fee for the clinic is \$20 and will include a T-shirt and water bottle. Those who sign up for both the Panther Clinic and Camp will get free admission to the clinic!

To guarantee a spot in the clinic you need to send in the registration form or register online by June 15. After that date, registrations will be accepted on a first come first serve basis. The number of spaces available are limited, so if interested please get your registration in early. Once your registration is received, you will be contacted to confirm the dates and given further information.

Five Day Camps

The Panther Camps are four full days of basketball with a mix of skills instruction, scrimmages, contests, and a wide variety of extra activities for the players. Coaches will work with groups based on age as well as individuals to help recognize areas they can improve and maximize their potential for growth. Players will be given goals to achieve based on their current abilities and will be challenged to make improvements on their game over the course of the camp.

The Boys' Camp will be July 16-20, and the Girls' Camp will be July 9-13. All sessions will be from 8:30-1:00 at the ASRHS Gym. They are open to all players entering grades 3-8. The fee for the camp is \$125 and will include a T-shirt and water bottle. Players will need to bring a snack, a lunch and a water bottle to each session. A full list of things to bring and a daily itinerary will be emailed to registered players prior to the start of the camp.

To guarantee a spot in the Panthers Basketball Camp, you need to send in the registration form or register online by July 2.
