The Ayer Planning Board  
Town Hall  
1 Main Street  
Ayer, MA 01432

RE: Fox Meadow Realty Corporation  
Moulton Construction Corporation  
LOCUS: "Stratton Hill" Definitive Subdivision, Wright Road

Dear Board Members:

Much to my chagrin, I find that the end of the month has arrived, and the plans are still being worked on. I am assured that Dillis and Roy Civil Design Group will have the revised plans ready by the end of next month.

Kindly, therefore, continue the hearing on this matter to the first meeting to be held in April, which I believe would be April 8<sup>th</sup>. This should provide sufficient lead time for Green International to review and provide comments on the revised layout.

Kindly also consider this letter as a request that the time by which the Board must complete its hearings and file a decision on this matter be extended until May 31, 2024.

Thanking the Board for its time and consideration, I remain

Very truly yours,

  
Robert L. Collins
