

Join Representatives Kate Hogan & Jennifer Benson for a Health Insurance Enrollment Forum

Bolton Public Library
563 Main Street, Bolton
November 18th
5:00pm-7:00pm

The Health Insurance Open Enrollment period starts on November 15th. Come learn more about the Affordable Care Act and receive information, tools, and materials that will educate you in making the important decisions regarding your health care choices. Assistance will be available at the event to provide in-person guidance, education, and enrollment into health plans offered by the Massachusetts Health Connector and MassHealth, giving consumers one-on-one help choosing the best option for insurance coverage.

You should attend the Enrollment Fair if any of the following is true:

- **You have a plan through the Health Connector or MassHealth that ends December 31, 2014**
- **You are currently uninsured**
- **Your current healthcare premiums are too costly and you would like to “shop around”**
- **You were denied coverage in the past**
- **You are unsure if you are eligible for tax credits or other help paying for insurance**
- **You were not eligible for MassHealth in the past but may now be eligible.**

Here is a list of information and documents that applicants may want to gather before they start their new insurance application:

- **Social Security numbers and dates of birth for all people who are applying (if they have one)**
- **An immigration document for all non-U.S. citizens who are applying**
- **A copy of federal tax returns from last year (if seeking assistance paying for insurance)**

If you did not file taxes last year, have information about your current income ready such as recent pay stubs or an unemployment award letter (if seeking assistance paying for insurance)

- **Home or mailing address for everyone in the household who needs insurance, unless they are homeless**
