Water Shut-Off Payment Plan

To participate in a payment plan after receiving a water service shut off notification for non-payment:

1. Make a down payment of 35% of the total charges for water and sewer (including past due and current charges).
2. Payments can be made over the period of 1 year.
3. You must remain current with future water bills and make payments on time. Failure to do so will result in a default of this payment agreement. Your water service may be terminated or your account may be referred to a collection agency if you default.

Hardship Payment Plan
