RE: Finance Committee Appointment

Via Email [gtillotson@ayer.ma.us](mailto:gtillotson@ayer.ma.us)

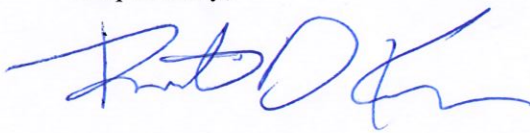

Dear Mr. Tillotson,

I am submitting this Letter of Interest requesting your consideration for an appointment to the Finance Committee.

*I have been a resident of Ayer for five years and my wife Janice has been a teacher in Page Hilltop school for over 20 years. I have been involved in the proposed Main Street commercial and residential expansion program and continue to support the Town's efforts to enhance business and residential presence in the downtown area. I have been the owner and landlord of 49 Main Street since 2010-11. My finance experience is from running a successful business for over 33 years.*

Thank you for your careful consideration of this request.

Respectfully,

Robert (Bob) France

Re: Finance Committee Appointment

Dear Mr. Tillotson,

I am submitting this Letter of Interest requesting your consideration for an appointment on the Finance Committee.

I have been a resident of Ayer since 2013. In that relatively short time span, I have seen Ayer change considerably. Most of the changes have been positive, which I feel are helping our small town move forward, grow, and thrive. Over the past few years, I have become more involved in our town's workings by attending the annual Town Meeting in April for the past 5 years and value the input from the Finance Committee on the various articles within the Warrant. In addition, I have been part of the planning committee for the Ayer Newtown Street Festival and am also currently on the Ayer + Devens Resolution Committee. It would be an honor to be a part of the finance committee and contribute to the continued prosperity of our wonderfully quaint New England small town while maintaining fiscal responsibility.

Thank you for your careful consideration of this request.

Respectfully,

Eric V. Sechman
