**will meet on**  
**Wednesday OCTOBER 19, 2016**  
**at 7:00 PM at the MRPC Offices.**

Because of recent action item requests by MassDOT, an October 19<sup>th</sup> MJTC meeting is needed. The Montachusett Metropolitan Planning Organization (MMPO) will also be meeting on October 19<sup>th</sup> at 1:00 PM to consider a time sensitive TIP amendment and to establish a Public Review and Comment Period for any actions. In order to provide needed public input and discussion, it is important for the MJTC to review these potential actions and provide the MMPO with its' feedback and/or recommendation.

A full agenda and additional material will be mailed to members within the next week.

Please feel free to contact me with any questions.

Thank you for your understanding regarding the need to schedule this meeting.
