Subject: OCTOBER MPO MEETING RESCHEDULED

2016 OCT -7 PM 12: 25 *lf*

Importance: High

The
Montachusett Metropolitan Planning
Organization (MPO)
will need to meet on
Wednesday OCTOBER 19, 2016
at 1:00 PM at the MRPC Offices.

Because of recent action item requests by MassDOT, an October 19th Montachusett Metropolitan Planning Organization (MMPO) meeting is now needed in order to consider a time sensitive TIP amendment and to establish a Public Review and Comment Period.

In order to provide needed local input and discussion, it is important for the Montachusett MPO to review these potential actions and establish the time frame and duration for the Public Comment period.

A full agenda and additional material will be mailed to members within the week.

Please feel free to contact me with any questions.

Please Note: A Montachusett Joint Transportation Committee (MJTC) meeting has also been scheduled for October 19th at 7:00 PM at the MRPC. The MPO will be meeting earlier in the day in a separate meeting.

Thank you for your understanding regarding the need to schedule this meeting.

Sincerley,

Brad Harris
Transportation Project Director
MRPC
