Regional District Enrollment and Contributions by Member City or Town

The table below presents the minimum required local contribution for each member to the selected regional district.

Note: A city or town might belong to more than one regional district (e.g., a regional district and a vocational district) and therefore be required to contribute to multiple districts. See the *regional allocation* tab for a full list of minimum required contributions for each city or town.

Foundation enrollments are presented as whole numbers. The change column reflects differences prior to rounding.

MEMORANDUM

DATE: February 2, 2024

TO: Ayer Select Board

FROM: Robert A. Pontbriand, Town Manager

SUBJECT: Proposal for Acquisition of 71 Sandy Pond Road

Dear Honorable Select Board Members.

At the meeting on February 6, 2024, I will be joined by the DPW Director to make a brief presentation and to facilitate a discussion with the Select Board regarding the proposal for the Town to acquire the property at 71 Sandy Pond Road for the future development by the Town as a parks and recreation asset to further enhance the Sandy Pond Beachfront and for the benefit of the Town. 71 Sandy Pond Road is a 2.3-acre property located diagonally across from the Sandy Pond Beachfront on Sandy Pond Road (See attached property card).

As the Select Board is aware, an opportunity to acquire 71 Sandy Pond Road from a private developer recently presented itself. The private developer has plans to construct two residential duplexes on the property but is willing to sell the property to the Town of Ayer for \$700,000 with the contingencies of demolishing and removing all structures on the property and leveling the property to grade; and subject to approval by the Annual Town Meeting on April 22, 2024. Attached for your review is a cost analysis for the private development of 71 Sandy Pond Road prepared by the Building Commissioner to demonstrate the private value of the site (See attached).

The Select Board authorized the Town Manager and Town Counsel to negotiate and develop a Purchase and Sales Agreement for the property in the amount of \$700,000 which was approved by the Select Board and executed with the private developer subject to approval by Town Meeting (See attached purchase and sale agreement).

If approved by Town Meeting, the Town would pay \$700,000 for the property of which \$350,000 would come from Community Preservation Act Funds for Open Space and Recreation and the other \$350,000 would come from either Town UDAG Funds; Town ARPA Funds; or other Town sources to be determined by the Select Board. Please note that no funding will be authorized or issued without Town Meeting approval.

It is important to note that this is an opportunity for the Town to acquire this important property that is directly across from the Town Beach, as well as in the project zone for the Sandy Pond Road Complete Streets Project and Safer Streets initiative for the purposes of further developing the Town's parks and recreation assets to include potentially some parking; a park; a playground; a pavilion; some parks storage; and endless other potential public ideas for the benefit of the Town. It must be stressed that there is no definitive plan for this property at this time and the future of the property if acquired by the Town would be the result of a specific public process. Additionally, this property would not be used as a future site for the Senior Center as the property does not meet the requirements for that project.

The first step in this proposal would be for Town Meeting to determine if the Town should acquire this private property for \$700,000 per the terms of the Purchase and Sale Agreement. If Town Meeting votes in the affirmative, then the Town will acquire the property and will then proceed with developing the appropriate public process regarding the future of the site. If Town Meeting does not authorize the purchase of the property, then the private property developer will proceed with his plans to develop the site with two residential duplexes.

At the meeting on February 6, 2024, we would like to discuss further with the Select Board the conceptual possibilities for the site; the funding plan for the proposal in terms of the non-CPC fund portion; and next steps leading up to and including Town Meeting on April 22, 2024.

Attached for your review and to facilitate the conceptual discussion, are some conceptual images developed by the DPW Engineering Division. These are just general concepts for the purpose of illustrating some potential concepts and ideas for further discussion. Again, there are no preconceived plans for this property at this time but given its proximity to the Town Beach, it represents an opportunity to further enhance the Town's parks and recreation assets and where land is at a premium in Ayer, a unique opportunity to secure the property for future public use by the Town.

Thank you.

1 and 5 Marshall St. were purchased as 2 individual lots where 2 two-family homes were permitted by zoning. The Shaker Pond two-family was part of an OSRD.

BUYER shall have the election, at either the original or any extended time for performance, to accept such title as SELLER can deliver to the said Premises in their then condition and to pay therefore the purchase price, without deduction, in which case SELLER shall convey such title.
- 11. Acceptance of Deed. The acceptance of a deed by BUYER, or its assignee or nominee, as the case may be, shall be deemed to be a full performance and discharge of every agreement and obligation herein contained or expressed, except such as are, by the terms hereof, to be performed after the delivery of said deed.
- 12. <u>Use of Money to Clear Title</u>. To enable SELLER to make conveyance as herein provided, SELLER may, at the time of delivery of this deed, use the purchase money or any portion thereof to clear the title of any or all encumbrances or interests, provided that all instruments so procured are recorded simultaneously with the delivery of said deed, or, for institutional mortgages only, within a reasonable time thereafter in accordance with customary Massachusetts conveyancing practices.
- 13. Adjustments. Taxes on the Property for the then-current fiscal year shall be apportioned as follows: if taxes are outstanding as of the closing date, taxes will be apportioned as of the closing date in accordance with G.L. c. 59, §72A; if, however, SELLER has paid taxes through and past the closing date, such payments shall not be refunded, it being acknowledged that BUYER has no funds to refund SELLER for such taxes paid and BUYER, being tax exempt, has no obligation to pay taxes upon acquisition of the Premises.
- 14. <u>Buyer's Contingencies</u>. BUYER's obligation to perform under this Agreement is subject to the following conditions, at BUYER's option:
 - (a) Ayer Town Meeting shall have approved the acquisition of the Premises on the terms set forth herein and appropriated the purchase price therefor;
 - (b) Compliance with the provisions of G.L. c.30B (the Uniform Procurement Act) for acquisition of real property, if applicable;

- (c) SELLER shall have demolished and removed the building(s) at the Premises, leveled the ground, and loamed and seeded the Premises;
- (d) SELLER shall have waived any rights SELLER may have to relocation benefits under the provisions of G.L. c. 79A, and SELLER shall sign and shall have obtained waivers of relocation benefits under G.L. c. 79A and CMR 27.03 from all tenants or occupants, if any, of the Premises or any portion thereof. SELLER shall represent and warrant in writing at closing that all such waivers have been provided as to all occupants. SELLER shall defend, indemnify and hold harmless BUYER as to any claim for relocation benefits brought against BUYER by any tenant or occupant of the Premises and pay any costs incurred by BUYER resulting from any such claim. The provisions of this paragraph shall survive the delivery of the deed;
- (e) BUYER shall have inspected the condition of the Premises, including the demolition and removal of the buildings, pursuant to Section 14(c), and SELLER's title to the Premises, and be satisfied with the same, in its sole and absolute discretion, notwithstanding anything herein to the contrary; and
- (f) Compliance by BUYER and SELLER with any other requirements of Massachusetts General or Special Laws or regulations relative to the acquisition of real property by the BUYER, and BUYER and SELLER agree to diligently pursue full compliance with said laws and regulations.

Provided, however, that if any of the conditions are not satisfied by the Closing Date, BUYER shall have the right to extend the closing for up to sixty (60) days by giving SELLER written notice thereof prior to the Closing Date, and shall inform SELLER of the new closing date at least seven (7) days prior to the Closing.

- not be considered to be in compliance with the provisions of this Agreement with respect to title unless: (a) no building, structure or improvement of any kind belonging to any person or entity encroaches upon or under the Premises from other premises; (b) title to the Premises is insurable, for the benefit of BUYER, by a title insurance company acceptable to BUYER, in a fee owner's policy of title insurance at normal premium rates, in the American Land Title Association form currently in use; (c) all structures and improvements and all means of access to the Premises shall not encroach upon or under any property not within the lot lines of the Premises; and (d) the Premises abut a public way, duly laid out or accepted as such by the municipality in which the Premises are located, or the Premises have an express access and utility easement leading from the Premises to a public way on terms acceptable to BUYER, in its discretion.
- 16. Affidavits, etc. Simultaneously with the delivery of the deed, SELLER shall execute and deliver: (a) affidavits and indemnities under oath with respect to parties in possession and mechanic's liens to induce BUYER's title insurance company to issue lender's and owner's policies of title insurance without exception for those matters, and SELLER shall indemnify and hold harmless the title insurance company for any losses, costs, or damages sustained as a result of issuing a policy without exceptions covered by such representations; (b) an affidavit, satisfying the requirements of Section 1445 of the Internal Revenue Code and

regulations issued thereunder, which states, under penalty of perjury, SELLER's United States taxpayer identification number, that SELLER is not a foreign person, and SELLER's address (the "1445 Affidavit"); (c) Internal Revenue Service Form W-8 or Form W-9, as applicable, with SELLER's tax identification number, and an affidavit furnishing the information required for the filing of Form 1099S with the Internal Revenue Services and stating SELLER is not subject to back-up withholding; (d) an updated certification of the warranties and representations contained herein; (e) a Disclosure of Beneficial Interest form, as required under G.L. c.7C, §38; (f) a waiver of relocation assistance under G.L. c.79A; and (g) such additional and further instruments and documents as may be consistent with this Agreement and customarily and reasonably required by BUYER and/or BUYER's title insurance company to complete the transactions described in this Agreement.

- 17. <u>Title Standards</u>. Any matter or practice arising under or relating to this Agreement which is the subject of a title standard or a practice standard of the Real Estate Bar Association for Massachusetts at the time for delivery of the deed shall be covered by said title standard or practice standard to the extent applicable.
- 18. <u>Representations</u>. SELLER represents to the best of SELLER's knowledge to BUYER, effective as of the date of this Agreement and also effective as of the date of closing (subject to any subsequent notice from SELLER as hereinafter set forth), that:
 - (a) SELLER holds good and clear, record and marketable title to the Premises in fee simple subject to exceptions of record;
 - (b) SELLER has not granted or entered into any options, rights of first refusal, or other contracts which give any other party a right to purchase or acquire any interest in the Premises;
 - (c) SELLER has not entered into leases, licenses, or other occupancy agreements (whether written or oral) in effect with respect to any part of the Premises;
 - (d) SELLER's execution of this Agreement does not violate any other contracts, agreements, or any other arrangements of any nature whatsoever that SELLER has with third parties that could affect the Premises;
 - (e) SELLER has the right, power and authority to enter into this Agreement and to sell the Premises in accordance with the terms and conditions hereof. This Agreement, when executed and delivered by SELLER, will be a valid and binding obligation of SELLER in accordance with its terms;
 - (f) SELLER is not a party to any litigation affecting the Premises, and SELLER knows of no litigation or threatened litigation affecting the Premises, or affecting SELLER, or any basis for any such litigation, which would either enjoin SELLER's performance under this Agreement or adversely impact the Premises;

- (g) To the best of SELER's knowledge: (i) no Hazardous Waste (defined in Section 19) has been generated, released, or disposed of at or from the Premises; (ii) there has been no release of any Hazardous Waste from the Premises; (iii) there are no underground storage tanks or other subsurface facilities currently in use or previously abandoned on the Premises, and (iv) chlordane has not been used as a pesticide on the Premises Nothing herein shall affect BUYER's right to terminate this Agreement under the provisions of Section 19;
- (h) SELLER has not received written notice from any governmental authority or agency having jurisdiction over the Premises of any environmental contamination, or the existence or release of any Hazardous Waste (defined in Section 19), at or near the Premises; and
- (i) No petition in bankruptcy (voluntary or otherwise), assignment for the benefit of creditors, or petition seeking reorganization or arrangement or other action under Federal or State bankruptcy laws is pending against or contemplated by SELLER.

SELLER will not cause nor, to the best of SELLER's ability, permit any action to be taken which would cause any of SELLER's representations or warranties to be false as of closing, and in any event shall notify BUYER promptly of any change in these representations and warranties. SELLER shall confirm these representations and warranties at closing, which will survive the same.

- Inspection Rights. BUYER and its agents, employees, consultants, contractors or licensees shall have the right, upon at least twenty-four (24) hours' prior notice to SELLER, which notice may be oral notice, to enter the Premises at BUYER's own risk for the purposes of conducting such inspections, surveys, tests and analysis as BUYER deems advisable, including, without limitation, environmental site assessments. In accomplishing BUYER's inspection of the Premises to determine evidence of oil, hazardous waste or hazardous materials, BUYER, at BUYER's expense, may accomplish a transaction screening environmental study. SELLER or its agents may choose to accompany BUYER and/or BUYER's agents. BUYER shall, as soon as practicable, restore the Premises to substantially the same condition as prior to such entry if the closing does not occur. BUYER'S performance hereunder is expressly conditional, at BUYER's option, upon BUYER being satisfied with the condition of the Premises, including, without limitation, on not having found on the Premises any oil, hazardous waste or hazardous materials, as such terms are used in G.L. c.21E and any applicable federal and/or state laws, rules, and regulations ("Hazardous Waste"). In the event Hazardous Waste is found, or the BUYER is not satisfied with the condition of the Premises, BUYER shall have the right, to be exercised in its sole and absolute discretion, to terminate this Agreement, whereupon all the rights and obligations of the parties shall cease except those that are stated herein to survive such termination. Nothing herein shall affect BUYER's rights under this Agreement to walk through and inspect the Premises at any time prior to the delivery of the deed.
- 20. <u>Brokers</u>. BUYER and SELLER each represent and warrant to the other that each has not contacted any real estate broker in connection with this transaction, and BUYER and SELLER agree, to the extent permitted by law, to defend, indemnify each other against and hold

the other harmless from any claim, loss, damage, costs or liabilities for any brokerage commission or fee which may be asserted against BUYER or SELLER by any broker in connection with this transaction. The provisions of this Section shall survive delivery of the deed.

- 21. Closing. The deed and other documents required by this Agreement are to be delivered and the Purchase Price, less the permitted adjustments, paid at the Date and Time of Closing and at the Place of Closing. All documents and funds are to be delivered in escrow subject to prompt rundown of title and recording, which term shall include registration in the case of registered land. BUYER's proceeds may be in the form of a Town Treasurer's check, and the check shall be held in escrow by BUYER's attorney who shall release the check to SELLER only following the recording of the deed.
- 22. <u>Condition of Premises at Closing</u>. SELLER agrees to deliver the Premises in a condition substantially similar to their condition on the date of this Agreement, removing all improvements, in accordance with Section 14(c) and all of SELLER's personal property therefrom which is not being sold to BUYER, or left for its benefit, as consented to by it.
- 23. <u>Taking: Casualty.</u> Notwithstanding anything herein to the contrary, in the event of a taking of all or part of the Premises or access thereto by eminent domain by any entity other than BUYER, or in the event that the Premises are damaged or destroyed by fire, vandalism or other casualty, the BUYER may, at its sole option, terminate this Agreement without recourse. All risk of loss shall stay with the SELLER until the recording of the deed.
- 24. Notices. Any notice required or permitted to be given under this Agreement shall be in writing and signed by the party or the party's attorney or agent and shall be deemed to have been given: (a) when delivered by hand, or (b) when sent by Federal Express or other similar courier service, or (c) when mailed by certified mail, return receipt requested, or (d) upon electronic transmission (e-mail, provided that any e-mail sent after 5:00 p.m. on a business day shall be deemed received on the following business day), to the party's attorney at the addresses set forth in Section 1.
- 25. Extensions. BUYER and SELLER hereby authorize their respective attorneys (as the case may be) to execute on their behalf any extensions to the time for performance and any change of location and/or time for delivery of the deed. BUYER and SELLER shall be able to rely upon the signature of said attorneys as binding unless they have actual knowledge before the execution or other consent to such extensions, that either party has disclaimed the authority granted herein to bind them. For purposes of this Agreement, facsimile and scanned signatures shall be construed as original.
- 26. Errors. If any errors or omissions are found to have occurred in any calculations or figures used in the settlement statement signed by the parties (or would have been included if not for any such error or omission) and notice thereof is given within six (6) months of the date of delivery of the deed to the party to be charged, then such party agrees to make payment to correct the error or omission. The provisions of this Section shall survive the closing and delivery of the deed.

- 27. <u>Construction of Agreement</u>. This instrument, executed in multiple counterparts, is to be construed as a Massachusetts contract, is to take effect as a sealed instrument, sets forth the entire contract between the parties, is binding upon and inures to the benefit of the parties hereto and their respective heirs, devisees, executors, administrators, successors and assigns, and may be canceled, modified or amended only by a written instrument executed by both SELLER and BUYER. If two or more persons are named herein as SELLER, their obligations hereunder shall be joint and several. Any claims arising under this Agreement shall be brought in the courts of the Commonwealth of Massachusetts.
- 28. <u>Captions</u>. The captions and headings throughout this Agreement are for convenience of reference only and the words contained therein shall in no way be held or deemed to define, limit, explain, modify, amplify or add to the interpretation, construction or meaning of any provisions of, or the scope or intent of this Agreement, nor in any way affect this Agreement, and shall have no legal effect.

- The following Town Warrants have been reviewed, approved, and signed since the Select Board last met on January 16, 2024:

FY 2025 Budget Process Update:

- At the meeting I will provide a brief update on the FY 2025 Budget Process since the successful Public Budget Forum on January 17, 2024. The Town is currently developing DRAFT #2 of the FY 2025 Budget which we plan to provide to the Select Board and Finc Com by the end of February with a brief overview/presentation at the February 20, 2024 Select Board Meeting.
- As the Select Board is aware, all information and materials related to the development of the FY 2025
 Budget can be found on the Town's website on the FY 2025 Budget page at www.ayer.ma.us/budget with
 hard copies of materials available upon request from the Town Manager's Office during normal business
 hours.

- On February 1, 2024, the Nashoba Valley Technical High School released its FY 2025 Budget and Town Assessments at their annual Local Officials Budget Breakfast, which was attended by Selectman Livingston, the Town Manager, the Finance Manager, the Chair and the Clerk of the Ayer Finance Committee. The presentation can be found on the FY 2025 Budget page on the Town's website. The FY 2025 Town Assessment for Ayer is \$1,074,675 which is \$61,955 lower than the FY 2024 Assessment due to the decrease of six (6) students from Ayer at the NVTHS. Superintendent, Dr. Denise Pigeon will be presenting the FY 2025 Budget and Assessment to the Ayer Finance Committee at their next meeting on February 15, 2024 at 6pm.
- The Ayer Shirley Regional School District met with the Ayer Finance Committee back on January 18, 2024 and will be presenting their FY 2025 Budget and Assessment at the Select Board Meeting on February 6, 2024.
- The Town Manager and Finance Manager continue to meet with Town Departments to review their proposed FY 2025 Budgets. I will continue to keep the Select Board and Finance Committee updated as we move through the Budget Process. At the meeting, I will be happy to answer any questions the Select Board may have.

March 2024 Meeting Schedule:

As discussed at the January 16, 2024 Select Board Meeting, the Select Board will need to select a different
date for the March 5, 2024 Select Board Meeting due to the Massachusetts Presidential Primary Election
taking place that day at Town Hall. Per the Secretary of State's Office, there should be no public meetings
held at a polling place during voting.

KENO Monitor Request - The Vineyard, 63 Park Stret, Ayer:

 Please see attached request to add a KENO monitor at The Vineyard, located at 63 Park Street (see attached). The Vineyard has the capability to process KENO tickets now, this request is to install a monitor. This request has been vetted by all relevant departments and there are no issues.

2024 Seasonal Population Estimate - Alcoholic Beverages Control Commission:

• As is customary every year the ABCC asks each City and Town to estimate any population increase foreseen for the upcoming summer season, as it would have an effect on the number of eligible liquor licenses. This primarily impacts coastal cities and towns. Please see the attached documentation which shows a 0% increase in our population (see attached). The Town Clerk's Office has verified this information.

Update on Status of Nashoba Valley Medical Center:

- At the meeting I will provide a brief update on the Status of the Nashoba Valley Medical Center given recent media reports. Currently, Dr. Salvatore Perla, President of Nashoba Valley Medical Center has indicated that despite recent media reports, there are no immediate plans to close or sell the Nashoba Valley Medical Center. Additionally, our State Delegation (Senator Eldridge and Representative Sena) are aware of the situation and Senator Eldridge has been in contact with the Governor's Office and is awaiting a response.
- The Town Manager's Office has received several calls from residents concerned about the future of the hospital and some have reached out to Senator Eldridge as well. Frustratingly, there has been no specific information provided to date by Steward Medical out of Boston with respect to the future status of Nashoba Valley Medical Center. As the Select Board is aware, if there was an effort to close or sell the Nashoba Valley Medical Center, under State Law there is a detailed public process which would be overseen by the Department of Public Health. There has been no specific information to date that this is going to happen at

this time or that this process has been initiated. We continue to actively monitor the situation and will keep the Select Board and Town updated.

- Enclosed is a news article written by *The Harvard Press* on February 2, 2024 focused on local reactions to the latest news about Steward Medical and the future of the Nashoba Valley Medical Center. Various local representatives were contacted and interviewed (including the Town Manager) regarding initial reactions and concerns (see attached).
- At the meeting, the Select Board may want to discuss and consider authorizing a letter from the Select Board to Steward Medical (owner of Nashoba Valley Medical Center) expressing the vital importance of the Nashoba Valley Medical Center to the Town of Ayer and the Nashoba Valley Region in terms of access to health care as well as the importance of emergency services and outpatient services to many who do not have transportation to travel significant distances for care. Additionally, Nashoba Valley Medical Center is the Town's second largest employer and after quality health care, the economic importance of the hospital is significant for Ayer and the Region. A letter from the Select Board in support of the Nashoba Valley Medical Center remaining open and operational would be an important action item to consider at the meeting.

Thank you.

News that Nashoba Valley Medical Center could be closed roils community leaders

BY JOAN ELIYESIL AND JOHN OSBORN · FRIDAY, FEBRUARY 2, 2024

Town and state officials were alarmed last week by news reports that Steward Health Care, the owner of the Nashoba Valley Medical Center in Ayer, was considering the sale or closure of the hospital—and three others in Massachusetts—to stem its mounting financial losses. The consequences for the region, especially Ayer and nearby towns, they said, would be devastating.

"Think about it," Ayer Town Manager Robert Pontbriand told the Press. The Nashoba Valley Medical Center fills an important void. "We've got Fitchburg, Leominster, and Gardner and their hospitals to the west; Worcester to the south; and then you've got the MetroWest hospitals, such as Emerson, to the east." But according to the hospital's website, Nashoba Valley Medical Center serves 16 towns in the Nashoba Valley region of central Massachusetts, including Ayer and Harvard, with its emergency room and landing pad for LifeFlight helicopters.

Moreover, said Pontbriand, Nashoba is Ayer's second largest employer. The hospital had 317 full-time employees in 2021, including 115 physicians. "They employ a lot of folks," he said, not just doctors and nurses, but support staff and vendors. "So, of course, the town of Ayer is concerned about the recent news."

Harvard Council on Aging Director Debbie Thompson told the Press the COA van regularly takes seniors to Nashoba and the adjoining doctors' office building. The Ayer Council on Aging also provides van service to Nashoba. Pontbriand said Nashoba's services are vital to area seniors, including the

residents of three nearby senior living facilities: Nashoba Park and Ayer Valley Rehab and Nursing in Ayer, and RiverCourt in Groton.

A closure would also affect Harvard's ambulance services and police. (See sidebar below.)

A surprise

The first hint that the hospital might be in Steward's crosshairs came with publication of an eye-opening Jan. 19 Boston Globe story that reported Steward—the physician-owned group that operates NVMC and eight other Massachusetts hospitals—owes more than \$50 million in back rent to its landlord, Medical Property Trust. Ayer's two state legislators, Sen. Jamie Eldridge and Rep. Dan Sena, said they learned of Steward's financial problems from the Globe, which was, said Eldridge, a complete surprise. Steward is based in Texas and owns 33 hospitals nationwide.

Though the company has yet to publicly state its intentions, the Globe and other news outlets have said Steward told state officials it wants to sell or close four of its hospitals, including Nashoba as well as St. Elizabeth's Medical Center in Brighton, Holy Family Hospital in Methuen, and Norwood Hospital in Norwood, which is closed and undergoing reconstruction following a serious flood.

Steward executives have been tight-lipped. In a Tuesday phone call with the Press, Eldridge said, "Steward is very much keeping their cards close to the vest. None of the executives are talking. I think it's pretty clear; they've all been instructed not to comment on their individual hospitals."

Eldridge told the Press that in his opinion, Nashoba is a hospital that hasn't been well supported by Steward. "It's a small community hospital that serves a

mostly working-class area that's not a 'money maker' for Steward. I'm extremely concerned that it could be on the list to be closed."

Pontbriand said he has been in touch with Nashoba Valley Medical Center's president, Dr. Salvatore Perla, to express his concerns. He was assured that the hospital "is not closing at the end of the month and is not being sold," he said. State law, he added, requires a company to give 120-day notice of its intent to close a hospital, a process governed by the state Department of Public Health. In December, Steward notified the state that it will be closing the New England Sinai Acute Long-Term Care and Rehabilitation Hospital in Stoughton this spring after operations losses climbed to \$22 million since it bought the facility in 2010. As of Jan. 30, Steward had not notified the state of any further closures.

Little leverage

Neither the state nor the towns have much leverage in dealing with a company like Steward, said Eldridge. "It's not just that the hospitals are privately owned, but that the regulation of hospitals is so weak." Eldridge noted that the state had tried and failed to dissuade UMass Memorial from closing the Leominster Hospital maternity ward. The Department of Public Health held hearings, but the DPH can't force a health care unit or hospital to stay open, he said. He urged area residents, "Whether through their town officials or on their own … to be vocal and make their support for the hospital known."

If there were a shutdown, officials would hear more from their constituents, said Sena. "Sometimes people are so busy with their lives, they're not paying attention to all these details. But the hospital serves a lot of people in my district and [its closure] would be devastating."

Searching for solutions

Meanwhile, the search goes on behind closed doors for a solution that will keep Nashoba and the other Steward hospitals open. Gov. Maura Healey has said that the state will not bail out Steward.

But other ideas are afoot. In a Commonwealth Beacon column this week, Paul Hattis, a senior fellow at the Lown Institute, and John McDonough, a professor of public health practice at the T.H. Chan School of Public Health at Harvard University, wrote that bringing Steward hospitals under management or control by a nonprofit such as UMass Memorial, Tufts Medicine, or Boston Medical Center might be an effective, though complex, solution.

The goal is "stable access to quality care," Sena told the Press. Pontbriand said he wanted decision-makers to know that the people of Ayer support Nashoba and have done so since its founding as a community hospital more than 50 years ago. "It is a critical health care facility not only for Ayer but for this whole region," he said, "and we are very supportive."

A critical asset

Nashoba Valley Medical Center is one of 61 acute care hospitals in the state. According to the Center for Health Information and Analysis (CHIA), an independent state agency that provides data and analysis of the state's health care systems, 10 of those hospitals, including NVMC, are for-profit. Eight of the 10 are run by Steward Health Care. The hospital is categorized by the state as a "community high public payer hospital," which means that at least 63% of patient revenue comes from public payers such as Medicare or MassHealth. About half the hospitals in Massachusetts fall into this category.

In 2020, when COVID-19 hit, expenses at the NVMC exceeded revenue by \$16 million, according to CHIA. The following year, expenses over revenue shrank to \$1.6 million, and in 2022, it dropped further to \$700,000. But in the first

three quarters of 2023, expenses had already exceeded revenue by \$1.9 million.

The hospital has about 40 "staffed" beds, which means beds that are licensed by the state and available, with enough staff to attend to the patients in those beds. In 2021, 89.6% of the beds were occupied, and the number of inpatients discharged from the hospital that year was 1,855, with an average stay of seven days.

Top 10 communities that used NVMC for hospitalization in 2021

	183		
Town	Number of inpatients at NVMC (2021)	Percentage of hospitalized patients who were inpatients at NVMC (2021)	
Ayer	290	34%	
Groton	200	23%	
Pepperell	175	21%	
Shirley	164	22%	
Townsend	112	19%	
Lunenberg	84	8%	
Shrewsbury	80	3%	
Littleton	66	7%	
Fitchburg	54	1%	
Leominster	54	1%	

The hospital's emergency room receives about 16,000 patients annually according to its website. There are 13 treatment areas, with onsite diagnostic testing, and on-call physicians, specialists, and behavioral health clinicians. The emergency department has 24/7 cardiac care, and the hospital is designated by the state's Department of Public Health as a primary stroke service provider. Patients requiring further care at a major medical facility are

transported by ambulance with advanced life support capabilities, or via helicopter from the hospital's helipad.

Nashoba's services go beyond emergency and acute care. In 2021, there were over 38,000 outpatient visits to the facility. Services offered at the hospital range from knee replacement and cataract surgery to kidney dialysis, cardiac rehabilitation, and pain management. The Garvin Center for Geriatric Psychiatry is a 20-bed inpatient behavioral health program for patients over 55. The Diabetes and Endocrine Center offers help for area residents suffering from diabetes and other metabolic disorders, including monitoring, building individualized self-management programs, and support groups. The hospital also performs mammograms, colonoscopies, and hearing tests; and it has a cancer care center.

Statistics from CHIA show which communities are the heaviest users of the beds in each hospital in the state. Nashoba's top user is Ayer (see "Top 10 communities that used NVMC for hospitalization in 2021"). In 2021, 34% of Ayer residents who were hospitalized were inpatients there. About one in five hospitalized patients from Groton, Pepperell, Shirley, and Townsend were at NVMC. Harvard was not on the list, which included only the top 10 communities.

But anecdotal evidence collected by an ongoing Press survey shows that Harvard residents make use of the outpatient services, as well as the services offered in the medical office buildings on the hospital campus. Family and internal medicine, ophthalmology, dermatology, orthopedics, and rehabilitation are just some of the services available. Many of the communities served by the hospital have few, if any, doctor's offices within their borders. It is unclear how the medical offices on the Nashoba campus might be affected by the sale or closure of the hospital.
