## **Public Input and Informational Meeting Flannagan Pond Public Access Feasibility Study**

September 20, 2023

On Wednesday, October 4, 2023, at 6:00 PM, the Ayer Department of Public Works (DPW) will host a public input and informational meeting related to a feasibility study for public access to Flannagan Pond. The meeting will be held in the Select Board meeting room on the first floor of Town Hall and will include a presentation, followed by questions and input from meeting attendees.

In 2021, Town Meeting committed Community Preservation Act (CPA) funds for the Feasibility Study. The Study has resulted in the analysis of several potential sites around Flannagan Pond for public access. Public input is needed to help determine the preferred location.

The DPW appreciates your questions and input for this project. If you have questions, please call DPW at 978-772-8240 (7:30 to 3:30) or email [dvanschalkwyk@ayer.ma.us](mailto:dvanschalkwyk@ayer.ma.us)
