

IMPORTANT NOTICE
WEST MAIN STREET PROJECT
FINAL PAVING ON WEDNESDAY, MAY 24TH

The West Main Street Infrastructure Project (West Ayer Village) is nearing completion. **Final paving is scheduled for Wednesday, May 24th** (weather permitting). Below are details.

Wednesday May 24th:

The Contractor will pave top course on West Main Street from Sculley Road to the Verbeck Gate

In order to complete this work within a day, **work will begin at 5:00 AM**. Initially, the contractor will mill the approaches for a clean connection of the top course asphalt. Followed by top course paving.

No detours are planned but there will be delays. Seek alternate routes. Police details will be onsite to direct traffic and detour signage is in place.
