

Pirone Park Perimeter Path Holiday Decorations

Would you like to help the Ayer Parks Department decorate the perimeter path at Pirone Park this holiday season? We would like to set up a collection of Christmas trees and snowmen along the walkway, and thought it might be a fun activity for families and individuals of Ayer jump in. Here's how it works:

- The Parks Department will be making plywood cutouts of Christmas trees and snowmen, about 4' tall and 2' wide, for people to decorate.
- Participants can decorate their cutout any way they like, with the proviso that they use materials and techniques that will allow them to stand out in harsh conditions for a month or more.
- Those wishing to participate can contact the Parks Department via email at parcs@ayer.ma.us to reserve a cutout and set up a time to pick it up (only one cutout per family please). The cost to participate will be \$20 and you choose between a tree or snowman. You can either pay online or give the \$20 when you pick up your cutout. Those who participated last year and still have their trees/snowmen can use them again if you like, but you will still need to contact the Parks Department to let us know you will be dropping it off.
- There are a limited supply, so once we run out we will need to discontinue distributing them. Reserve your cutout ASAP to guarantee you will get one. Participants must return their decorated cutouts by December 1st. The Parks Department will set up the decorated trees and snowmen once they are returned.
- The decorations will remain up through the school holiday break, then be taken down some time after that. Those wishing to reuse their cutouts for next year can pick them up after January 8.

We hope you and your family will want to join the fun! If you have any questions, feel free to call Jeff Thomas at the Parks Department office at 978-796-5915.

Thank you

Ayer Parks Commission
