Note to landlord: Your signature on this application indicates that you have given your tenant permission for keeping animals and/or fowl at this residence.

For New Applications only

Please attach a list of all abutters (within 100') abutters lists can be obtained by contacting the Assessors' office at 978-772-8220 ext. 140 or by going to <https://www.ayer.ma.us/assessor/files/abutters-list>.

Please include an informal plot plan that shows the following:

- Borders with dimensions of area where the animals will be kept and used by animals.
- Location of all structures on the property.
- Location of confining fences and barriers.
- Any bodies of water or surface watercourses located within 100' feet of the housing for the one or more animals.
- Location of any septic system on the premises.
- Location of any private wells within the perimeter of the area where the one or more animals will be kept or within 100' of the perimeter.
- Location of manure containers and drainage details.

Permits expire on **May 31** of each calendar year, or unless sooner revoked by the Board of Health upon violation of any of the provisions of these regulations.

The annual permit fee to keep animals or fowl is: **\$30.00**
Please make checks payable to "Town of Ayer".

Permits are non-transferable and shall be posted in a conspicuous area.
