

# PARKING MANAGEMENT PLAN PUBLIC FORUM

The Ayer Department of Public Works is hosting a Public Forum on the Parking Management Study that is being completed. The Study evaluated Ayer's existing parking practices and has developed potential strategies to help mitigate parking problems.

Strategies to be discussed include:

- Review parking signage and zones to define 2-hour parking, commuter parking and resident parking areas. Install new signage as required
- Establish "Resident Parking Only" zones and provide parking stickers to residents.
- Establish shared parking agreements for private parking lots and add signage and line painting.
- Mark out parking spaces and no parking areas on Main Street to keep cars from parking on / close to crosswalks
- Install a parking payment kiosk at 0 Park St lot
- Evaluate / implement angle parking on Central Ave from Columbia St to Post Office entrance
- Enforce parking violations

Wednesday  
August 2, 2017  
7:00 PM

Town Hall  
1 Main Street, Ayer

Optional pre-Forum  
"Downtown Ayer  
Parking Space & Lot  
Walking Tour"  
6:00 to 6:45  
Meet in front of Town Hall

CAN'T MAKE IT BUT WANT  
TO HAVE INPUT?
