

Parcels in Ayer with Property Protected by the Wetland Protection Act

This map depicts parcels in Ayer, MA with land protected by the Commonwealth's Wetland Protection Act, administered locally by the Conservation Commission. Depicted protected areas are vernal pools, rivers, wetlands, and their respective buffers. Parcels with blue vertical lines have river protection areas, parcels with green horizontal lines have wetland protection areas, and crosshatching indicates the presence of both on a parcel. All information displayed was generated based on the best available data, and may not accurately represent the extent of the Commission's jurisdiction. Please call the Conservation Administrator for inquiries regarding the Wetland Protection Act: 978-772-8249
