Town of Ayer

***Ayer Stormwater Utility Advisory Workgroup Meeting Highlights from November 15, 2023**

This meeting of the Ayer Stormwater Utility Advisory Workgroup was held in-person at the Ayer DPW Conference Room and virtually on Zoom

- The Stormwater Utility Advisory Workgroup (Workgroup) received an update from DPW and Tighe and Bond, professional consultant, summarizing the historic and projected expenditures in the Town's Stormwater budget.
- The Workgroup received a presentation from Tighe and Bond of the current rate model and anticipated fees based on the current rate scenarios.
- The Workgroup discussed which expenditures are recommended to remain in the General Fund and which are appropriate for the Enterprise Fund, and availability of a credit policy to all users.
- The Workgroup agreed to begin outreach to entities with a potentially high user fee.
- The Workgroup received a draft outreach plan from DPW.

**(Note: The Ayer Stormwater Utility Advisory Workgroup Meeting Highlights are for public informational purposes only and do not constitute official record of the Workgroup meeting)*

The Workgroup will next meet in a hybrid format on December 20, 2023, 4:00 PM, at the Ayer DPW Admin Building Conference Room and available virtually on Zoom.
