Town of Ayer

***Ayer Stormwater Utility Advisory Workgroup Meeting Highlights from October 11, 2023**

This meeting of the Ayer Stormwater Utility Advisory Workgroup was held in-person at the Ayer DPW Conference Room

- The Stormwater Utility Advisory Workgroup (Workgroup) received a presentation from Dan Van Schalkwyk, DPW Director, and Tighe and Bond, professional consultant summarizing the historic and projected expenditures in the Town's Stormwater budget.
- The Workgroup discussed the level of service provided by the stormwater budget, maintaining any of the stormwater budget in the general fund, and borrowing for capital projects.
- Tighe and Bond presented the anticipated costs to a single-family residential household based various fee scenarios.

**(Note: The Ayer Stormwater Utility Advisory Workgroup Meeting Highlights are for public informational purposes only and do not constitute official record of the Workgroup meeting)*

The Workgroup will next meet in a hybrid format on November 15, 2023, 4:00 PM, at the Ayer DPW Admin Building Conference Room and available on Zoom.
