### **Town of Ayer**

#### **\*Ayer Stormwater Utility Advisory Workgroup Meeting Highlights from September 12, 2023**

*This meeting of the Ayer Stormwater Utility Advisory Workgroup was held in-person at the Ayer Town Hall*

- The Stormwater Utility Advisory Workgroup (Workgroup) received a presentation from Dan Van Schalkwyk, DPW Director, and Tighe and Bond, professional consultant summarizing the Advisory Workgroup's Goals, Ayer's current stormwater program, the purpose and composition of a Stormwater Utility, and next steps.
- The Workgroup discussed the presentation and future steps of the program including posting the Town's Stormwater Asset Management Plan on the Town website, a sense of some of the policy decisions for a Stormwater Utility Fund that would need to be made by the Town and recommended by the Workgroup, and the importance of outreach. The Workgroup decided the DPW will create a dedicated web page on the Town's website for centralized information.

*\*(Note: The Ayer Stormwater Utility Advisory Workgroup Meeting Highlights are for public informational purposes only and do not constitute official record of the Workgroup meeting)*

*The Workgroup will next meet in-person on October 11, 2023, 4:30 PM, at the Ayer DPW Admin Building Conference Room.*
