September was the time for our annual Fall Firearms Qualification. Twice a year all officers and reserves converge on the Ayer Sportsman Club to conduct this training. This year attendees continued to work on transitioning to new guidelines established by the Training Council that will become effective in the near future. Also this season the training is being divided into two sessions: first is long guns and second, occurring in October will be shoot/don't shoot scenarios utilizing a Shoot Trailer.

This month we accepted a FLAK student into the Department who will be visiting us once a week during this school year for an hour to experience what the day is like at the PD.

## September 2013 Monthly Report

The Page Hilltop School began its weekly Walk & Read program this month with the inclusion of Lt. Gill. The Lt. engages the children while walking with them and has taken on quite a following during the event.

The Police Department manned safety tables at 2 events this month: the Gervais Ford Car Show and the Page Hilltop Open House. During both we handed out safety materials and Kid ID kits.

Our Regional School Safety Meetings started up again during this month. At this meeting we planned for our upcoming Lock Down drills that will take place in October.

The Department welcomed back Officer Bigelow who had been out on maternity leave. Jennifer will resume her duties on the Day Shift as our School Liaison Officer until our new School Resource Officer can be put in place.
