MONTHLY REPORT SELECTMEN FIRE DEPARTMENT JULY 2015

- July 4th members of the Fire Department participated in the Town's Fourth of July celebration. Starting with the parade of fire trucks leading the parade at three o'clock and continuing at Pirone Park with managing the fireworks and providing an EMS tent. I would like to remind the public that the firefighters volunteer their time for this event each year to make it a safe and happy day for the residents.
- July 14th Selectmen's meeting the purchase order for the Town's new ambulance was signed. This purchase was funded at the Annual Town Meeting in May and is supported by the Ambulance Enterprise Account; Greenwood Emergency Vehicles was chosen as the vendor working off the Fire Chiefs of Massachusetts contract. This contract is facilitated by Metropolitan Area Planning Council and meets the requirements of MGL 30B. The price for the new ambulance is \$237,855.89 and includes a new power cot. This ambulance will be on a truck chassis and will have a 4x4 drivetrain. To assure the safety of the residents, after the record snows last winter it was decided to go with a four wheel drive chassis.
- Ambulance Calls July -- 110
- Fire Calls July -- 64
- Ambulance receipts July \$36,936.44
- Permit receipts July \$1,485

Respectfully submitted:
