MONTHLY REPORT SELECTMEN FIRE DEPARTMENT SEPTEMBER 2015

- September 8th three members of the Department traveled to South Berwick, Maine to honor their Fire Department members for the care given to Firefighter Steven Mickle during his fatal motorcycle accident last September. When the members of the South Berwick, Maine Fire Department recognized that Steve was a firefighter they draped his body with an American flag to honor his service. The members were presented with a plaque in memory of Firefighter Mickle.
- In September I advertised for Call Firefighters using the Towns social media as well as postings. The job posting closed on September 28th and there were only four applications received. This is a lower number than previous years. I think it reflects on the growing complexity of the job along with the growing requirements needed to be a call firefighter. In early October interviews will be conducted with the four applicants hoping to add all four to the ranks of the Call Department.
- Ambulance Calls September -- 107
- Fire Calls September -- 65
- Ambulance receipts September \$28,873.06
- Permit receipts September \$970.00

Respectfully submitted;
