June 2016**

- The month of June was a VERY busy once again considering I was dealing with staff vacations, one of my staff getting married and going on her honeymoon and the resignation of one of my MART Van Coordinators. We make it happen and deliver quality service no matter how many staff I may be down.
- As far as the resignation from one of my MART Van Coordinators it came to me as an unexpected shock. Kevin Liddy was a true asset to this department and he will be missed. I am at this time NOT filling the position. I have found that the folks I still have in place can handle the work load with additional hours added to their week, which has made them very happy!! I will continue to monitor this work load but at this time there is no need to bring in another person.
- All staff received their year- end reviews which allowed them to receive their payroll increases.
- Our HOMECOOKED meals are growing and growing!!!! Monthly!!! :-) the food choices are really yummmmmmy.
- Tiny's is growing and growing in popularity with our gang on Monday nights. NEW folks are getting together and making new friends. Michael is now filing two van loads for this fun evening. I am thrill this idea has been so well received and growing. We are now looking into an addition place to offer a night out for dinner, hope to have this in place come September.
- All monthly bills paid on time.
- All monthly reports written and submitted on time.
- Our Summer Brunch which was held on Saturday June 18th was a huge success. Sean Patrick's once again out did themselves. We had over 50 people that enjoy this delicious meal!!
- Monthly newsletter written and out into the community before the beginning of the new month.
- It is so exciting to have our newsletter up on the town website for those that work with computers. And on Twitter also!!
- Our FREEEEE Exercise class is ROCKING!!!!!! New friendships and lots of laughter!! People from surrounding communities are joining in the fun weekly. They will be wrapping up for the summer and returning on
