Radio Follow-up: All plans are on hold until a funding source can be located to complete the project. It was anticipated that the use of UDAG funding would be sought but with a moratorium placed on this source it is not available. We will be making a presentation to the BOS in the coming months in hopes of bringing a request to the Fall Town Meeting. In the mean time we continue to be plagued with radio functionality and reception issues that continue to mean an unsafe working environment for the officers.

Other than day-to-day operations, the month of August was a quiet time at the PD as vacations were wrapped up and upcoming events planned.
