

**Director's Report submitted by
Karin Dynice-Swanfeldt
September 2016**

- September began with a bang along with the cooler weather. We still have many cases involving our elders and our Police Lesion, Officer Callahan. Once again I am very lucky to have such an involved Officer working so closely with us to help out our clients and their families. There are so many out in our community that need help and will not ask for it.
- Our 2016 State End of the YEAR Report was written and submitted before its due date which was September 9, 2016. This is the report which the state receives from me every year with all of the numbers for EVERYTHING done here at the AYER COA. Copies are on file for those that may want to see them.
- Tiny's is still growing and growing in popularity with our gang on Monday nights. NEW folks are getting together and making new friends. Michael is now filing two van loads for this fun evening. I am thrill this idea has been so well received and growing. We are now looking into an addition place to offer a night out for dinner, hope to have this in place come September. Maybe Chinese every other Monday night.
- All monthly bills paid on time.
- Directors Report were submitted to the BOS on time every month.
- All monthly reports written and submitted on time.
- Monthly newsletter written and out into the community before the beginning of the new month.
- Attended all committee meetings
- Our Meals on Wheels (MOW) program is still very busy helping so many folks out in our community that cannot get out of their homes.
- Our Homecooked meals are very popular twice a month here at The Center. Louisa and the rest of the staff do an awesome job preparing "comfort food" type meals for all to enjoy! We are looking forward to some hearty dishes for the cold winter months ahead.
- Our trip to Wright's Chicken Farm is filled, 52 people will be joining in the fun of this day field trip which is mid October. Our trip to Twin River which is being held mid November is almost filled at this time also. It is really exciting to be about to get out and about with our 60+ers. Everything is listed in the monthly newsletter. We also have these activities and events written in the local Action Unlimited and we make use of the town web page and local cable channel. So we make sure what we do and have to offer is out there for everyone to find.

- Our Halloween Pizza Party with the Police Department is filling up daily. This is always a fun time. My staff dresses up and so do some of our 60+ers.
- I am in the process of planning my Thanksgiving for those Alone. I cook for those who have no one and it is held on Thanksgiving Day here at The Center. It is always such an awesome day for ME and those who come.
- I have two trips planned to the Christmas Tree Shoppe in NH for those who do not drive. This is always a blast. They all also get to go out for lunch after shopping.
- Our Christmas Luncheon with Sean Patrick's is set and ready to roll. I also have our DJ lined up. This is always a good time. Louisa does a great job with the raffles also.
- Louisa is getting our gift shop here at The Center in order for the coming holidays. It looks great. Everything is affordable and lovely for those who want to give but do not have the funding to go out to the stores to do so. All money that comes in goes right back into the shop so we can keep everything affordable.
- Jean is doing an awesome job with our Dollar Store here at The Center. This is a true dollar store with everything you could want or need for a dollar. Most helpful for those who cannot get out or for those who do not drive. Also all money coming in goes right back into the Dollar Store to keep it stocked.
