## MONTHLY REPORT SELECTMEN FIRE DEPARTMENT MAY 2017

- May 8<sup>th</sup> the Fire Department hosted the Council of Aging at the Fire Station for the annual Spring Fling. The firefighters put on a spaghetti and meatball dinner for the aging residents of the Town. The event was well attended with around eighty seniors partaking of the dinner. This has become an annual event and it is our pleasure to host this meal for the seniors of Ayer.
- May 16<sup>th</sup> Ladder #1 returned from its extensive rehabilitation at Greenwood Emergency Vehicles. The money for this rehab was voted at the FY-17 ATM. All major systems of the vehicle were either replaced or repaired. The ladder and hydraulic system were completely overhauled, all the warning lights were replaced with new state of the art LED lighting making the truck much more visible when responding to emergencies. The truck was completely repainted and re-lettered including the chassis. This truck should last the Town for several years to come. (picture attached)
