## MONTHLY REPORT SELECTMEN FIRE DEPARTMENT APRIL 2018

- The ambulance has been very busy the first four months of the calendar year. Last years total ambulance runs through April totaled 456 calls. This years total through April is 589 calls. This represents a 29% increase in ambulance calls for the first four months of the year. 2017 total ambulance runs was 1,416. If we continue at that pace this years ambulance runs will total 1,826. That is an average of over 5 ambulance calls per day. Fire calls are running 8.2 percent ahead for the same period with last years total through April 218 calls. This year through April there were 265 fire incidents. Combined totals indicate a 26.7 percent increase in emergency calls. Staffing is becoming a challenge with many multiple calls. The Town is growing in population and as the population increases our calls increase. At some point staffing will need to be increased.

- Ambulance calls April - 143
- Fire calls April - 69
- Ambulance receipts April \$42,050.21
- Permit receipts April \$1,660

Respectfully submitted;
