July and August are prime months of vacationing for agencies and businesses across the State so little extra is accomplished across the board.

Radio Follow-up: No significant update for this month. Drawings and plans are being finalized and equipment ordered. Work should start in earnest by the end of next month.

Regionalization Phase 1 has been completed and other than a few bugs everything is running smoothly. Phased 2 is the merging of all records into our central location and will be an ongoing process with a projected completion date of sometime in November.

July 2018 Monthly Report

The July 4 celebration this year saw one of its largest attendance and went off without incident. We employed a new mv/pedestrian traffic design this year that increased the safety of pedestrians while maximizing the efficient flow of motor vehicle traffic. A special thanks to Acton Police Chief Burrows for allowing us to borrow their Mobil Command Post and to Acton Officer, and Ayer resident, Chris Prehl for manning the post during our celebration.

This month we interviewed several candidates for the 2 open Patrol Officers positions. From these interviews the candidate field will be whittled down to the top 3 candidates. We hope to be in a position to offer 2 of these candidates employment with the Town sometime in September.

Training classes that officers attended during March, either collectively or individually, were in the areas of:
