MONTHLY REPORT SELECTMEN FIRE DEPARTMENT SEPTEMBER 2018

- September 7th I met with the State Heroic Award Review Committee at the Fire Academy. They were reviewing the nomination that I had made to their committee for the heroic efforts of the crew of Engine #2 at the AVS fire last March 23rd. The crew of Engine #2 were first to respond to the explosion and fire at AVS 60 Fitchburg. Upon arrival to a building that had just suffered a major explosion and was actively on fire they were notified that a worker was still inside the structure. Without regard for their own personal safety they entered the building; untangled the critically injured worker from the blast debris and removed him to a safe area. For their heroic effort in an attempt to save a life Captain Jeremy Januskiewicz, Lieutenant John Bresnahan, Firefighter Brenton Bourne and Tyler Schwabe will be honored at the 29th Annual Firefighter of the Year Ceremony, November 20th at Mechanics Hall in Worcester. This is a prestigious award that few Firefighters ever have the chance to receive. The award will be given by Governor Charles Baker and Fire Marshal Peter Ostroskey.
