MONTHLY REPORT SELECTMEN FIRE DEPARTMENT APRIL 2019

- In April the Fire Department received a donation from National Grid in the amount of \$1,000. This donation has been a yearly donation from National Grid for several years. The donation goes to help fund the Student Awareness of Fire Safety Education. SAFE is a program run yearly in the elementary school to teach age appropriate fire safety material to the students. Training includes classroom and practical sessions. The practical sessions are taught in a specially designed travel trailer that the department rents from Fire District #8. Each fall there are two weeks of training, one week of in classroom instruction and one week of practical in the SAFE trailer. This donation helps fund a firefighter in the classroom and allows three firefighters to run the hands on portion of the teaching in the SAFE Trailer. I would like to thank National Grid for their continued support of this important program.
- Ambulance calls April - 110
- Fire calls April - 51
- Ambulance receipts April - \$40,533.99
- Permit receipts April - \$1,275

Respectfully submitted;

Robert J. Pedrazzi
Fire Chief / Emergency Management Director
