## MONTHLY REPORT SELECTMEN FIRE DEPARTMENT MARCH 2020

- March 3<sup>rd</sup> through 5<sup>th</sup> Captains; Johnston, Januskiewicz, Shea and I attended the Fire Chief's Association of Massachusetts, Professionals Development Conference. This conference is held at the DCU Center in Worcester and is the premiere development conference in the region. There is also a two-day track for Fire Department Administrative Assistants that was attended by the Fire Department Administrative Assistant.
- Due to the COVID – 19 Pandemic the Fire Station has been closed to all except members of the department since March 16<sup>th</sup>. Most inspections have been pushed off until after the pandemic is over. Special legislation has been passed to allow smoke detector and carbon monoxide inspections to be delayed until ninety days after the state of emergency has been lifted in the Commonwealth. The department has been struggling with trying to keep all personnel safe and healthy throughout this unprecedented time. Personal protective equipment is in short supply and we are trying to get items any way that we can. The ASRSD has helped with the PPE by manufacturing face shields for use by our first responders and I would like to thank them for their efforts to assist.
- Ambulance calls March - 111
- Fire calls March - 57
- Ambulance receipts March \$39,042.44
- Permit receipts March \$690

Respectfully submitted,

Robert J. Pedrazzi  
Fire Chief / Emergency Management Director
