During this time of COVID-19 our numbers of calls for service and motor vehicle stops have significantly dropped. Our mission is focused on ensuring resident quality of life through high visibility and assisting the Board of Health with necessary SOP enforcement. In this midst of COVID-19 uncertainty and fear, the men and women of Ayer PD report every day to their assigned positions ready and willing to assist.

In spite of COVID-19 the Department continues on in its effort toward Certification. Though we are not able to make use of the assistance of our consultant we continue to review and improve our Policies and Procedures. We remain on track to be assessed sometime later this year.

Weekly conference calls with a plethora of different agencies continued for me this week in my effort to stay abreast of the most current information and best practices relating to COVID-19.

This month, led by SRO Bigelow, we became involved with numerous motor vehicle parades and drive-bys designed to make someone's special day a little brighter during the stay at home advisory. Deputy Chief Gill designed an online participation request form that was put up on our web and Facebook pages.
