RE: Department Head Monthly Report May and June 2020

Special State Election and Annual Town Election were postponed to June 2, 2020. Both elections were held together and successful with additional COVID-19 protocols from the state followed.

Absentee and Early Voting Ballots were encouraged for this Election.

Annual Town Meeting was postponed to June 15<sup>th</sup>, 2020. Submissions to appropriate state departments for approved articles are in process.

Street Listing for 2020 was delayed with closings, we are completing another clean up and with the company now accepting orders, we should have completed this week of June 22, 2020.

Petition Forms and Nomination Forms for 2020 and 2022 Elections are coming into the office to be certified.

The State Senate and House of Representatives are reviewing several important election bills and amendments that will impact the upcoming 2020 elections. Some changes include mailing absentee applications to all registered voters, early voting dates for both September and November, and the use of a third machine to run the absentee and early ballots through on election day to elevate delays for in person voters.
