MONTHLY REPORT FOR SELECT BOARD

FIRE DEPARTMENT OCTOBER 2020

- The Fire Department successfully completed a smooth transition with the Retirement of Chief Pedrazzi. Chief Pedrazzi was able to pass on a lot of valuable information to me during that period. I look forward to working with the Select Board and the town Manager as your Fire Chief.
 - This coming Wednesday the town takes delivery of our new Fire engine. This was a capital purchase during fiscal 2020 and takes over a year to build and deliver. This is the town's first new pumper/ fire truck in over 20 years and will serve as our frontline Fire Engine. We are also keeping our older Engine as a spare/reserve fire truck. Something we have not done in the past.
 - The Department continues to meet the challenges of the Covid-19 pandemic.
-
- Ambulance call for October- 68
 - Fire call for October- 43
 - Ambulance receipts for October- \$31,175.70
 - Permit receipts for October- \$2030.00
