MONTHLY REPORT FOR THE SELECT BOARD

FIRE DEPARTMENT, NOVEMBER 2020

- Cameron Breault a member of the Call Department graduated from the Massachusetts Call/Vol Academy on November 5th. We were unable to attend graduation but were able to celebrate his accomplishment with a cake after a training session with his fellow firefighters.
 - The new Fire Engine has arrived a couple weeks later than planned. We have just completed factory training with staff from the vendor. We will continue training with it as a Department until the members are comfortable with its operation. The plan is to have it in service by the end of the month. The Engine it replaces will be stored as a spare at Westford Station #1.
 - Department members Captain Shea, Lieut. Bourne, and Firefighter Wayne completed the Tactical Emergency Casualty Care (TECC) class. This course teaches EMS providers how to respond to and care for patients in a civilian tactical environment.
-
- Ambulance calls- 102
 - Fire calls- 57
 - Ambulance receipts \$32,513.20
 - Permit receipts \$1,680.00

Respectfully Submitted
