

MONTHLY REPORT November 2020

Below is a summary of the Ayer DPW's operations for the month of November. The Ayer DPW provides critical essential services to the Town of Ayer including water supply, wastewater collection and treatment, road safety, solid waste disposal, vehicle and equipment repairs and business operations.

Below is a summary of our monthly work project status and a summary of monthly work orders completed.

Staffing

The DPW has had a few staffing changes in the month.

- Joyce Wood is working part time assisting with the sale of Transfer Station permits at the Transfer Station on Wednesdays and Saturdays.
- Mike Winters transferred from the Highway Division Mechanic to the Wastewater Division Mechanic.
- We have advertised for the Highway Division Mechanic and hope to have the position filled in early January.

Engineering and Administration

- Presented Ayer DPW FY22 5-Year Capital Plan to Capital Planning Committee.
- Prepared and submitted FY22 DPW Operating Budgets including General Fund, Water, Wastewater and Solid Waste Enterprises.
- Assisted OECD with preparation of Park St Grant Application.
- Working on 25% Main Street Transportation Improvement Project Design
- Submitted quarterly reports to Army for PFAS grant.
- Began engineering and project management for West Main Street MassWorks Grant.
- Subdivision inspections – Trevor Trail and Littleton Rd.
- Designed Wright Road Water Main Upgrade project
- Managing construction of the School Street Sidewalk.
- Coordinating construction of East Main Street Upgrade (MassDOT).
- Working on Water Master Plan Update Report.
- Start-up of the Grove Pond PFAS Treatment Plant.
- Started construction of Spectacle Pond Wellfield PFAS Treatment Plant.
- Construction management of the Groton Shirley Road Water and Sewer Improvements.
- Bid of WWTP Alum Pacing System.
- Design of FY21 Sewer System Rehab project.
- Quarterly water and sewer bills were prepared and sent out for 2 routes.
- Sold Transfer Station permits at Transfer Station and on-line due to COVID19.
- Processed and approved Road Opening Permits, Trench Permits and Water & Sewer Connection Permits.

Highway / Stormwater Division

- Preparing trucks and plows for winter. One road treatment event so-far.
- Winterized mowing equipment and stored for winter
- Removed debris / beaver blockages from culverts throughout Town
- Installed new signs and / or repaired existing signs at various locations in town
- Equipment and vehicle maintenance
- DPW garage / facility maintenance
- Trash and recycling pickup at numerous locations in town
- Completed DIGSAFE mark-outs

Wastewater Division

- Construction of Upgrade Phase 2 completed
- All NPDES permit requirements were in compliance for the month
- Contractor hauled sludge
- Cleaned UV Disinfection units
- Performed mechanical maintenance on pump stations
- Backwashed filter units
- Repaired Wastewater Division trucks
- Performed daily inspections of wastewater pumping stations
- Performed daily operations, laboratory testing and reporting for WWTP
- Completed DIGSAFE mark-outs
- Completed and submitted Monthly Operations Report for DEP and EPA

Water Division

- Coordination of PFAS Treatment plant start-up.
- Added data to H2O Water Reporting software and submitted monthly reports to MADEP
- Continued media cleaning and regeneration at Grove Pond and Spec Pond WTPs
- Maintenance of chemical feed systems at Grove Pond WTP
- Maintenance of chemical feed systems at Spec Pond WTP
- Continued radio water meter installations throughout Town
- Completed required DEP monthly coliform and chlorine sampling
- Completed meter readings and assisted customers with leak evaluations and dirty water issues
- Completed DIGSAFE mark-outs
- Normal water treatment duties including daily testing and reports, chemical adjustments, equipment maintenance

Solid Waste Division

- Started selling 2021 Permits at Transfer Station
- Normal transfer station operations including site clean-up, organization and monthly reports
- Lots of leaves this fall
- Working with organic food waste collection operation
- Brush chipping and hauling fall leaves to brush dump / compost area off Bishop Road
- Coordinated solid waste / recycling disposal including waste oil, scrap metals, textiles

- Purchased new bulk plastic trailer
- Closed “Take it or Leave it” shed in response to emergency declaration

Monthly Work Order Summary

		Work Type	Date	Division	Description
17	School St	Project Inspection	11/13/20	Engineering	Dan V inspect School Street sidewalk project throughout week. Modifications at 17 School Street - additional walkway work because curbing set high and need to slope to grade. Most of sidewalk was completed this week.
