## MONTHLY REPORT SELECT BOARD FIRE DEPARTMENT, NOVEMBER 2020

- I attended an introduction class for local officials at the Massachusetts Emergency Management agency Region #1 headquarters in Tewksbury. The class was on WebEOC which is the dashboard for any request through M.E.M.A. for assistance.
- We are in the process of filling some openings on the call Department. This was a result of members leaving over the last few months for various reasons. We currently have 4 people that are in the process of becoming members.
- The Fire Department conducted our first ever training session remotely via zoom. While most of our training needs to be hands on there is some taught in the classroom. The training session was well attended by our members and look forward to more in the future.
- Ambulance calls-95
- Fire calls-60
- Ambulance receipts \$30,785.48
- Permit receipts \$1365.00

Respectfully Submitted,

Timothy P. Johnston

Fire Chief/Emergency Management Director
