During this continued time of COVID-19 our numbers of calls for service and motor vehicle stops have significantly dropped. Our mission is focused on ensuring resident quality of life through high visibility and assisting the Board of Health with necessary SOP enforcement. In this midst of COVID-19 uncertainty and fear, the men and women of Ayer PD report every day to their assigned positions ready and willing to assist.

In spite of COVID-19 the Department continues on in its effort toward Certification. We concluded our Self-Assessment and participated in a 2-day Mock Assessment to help ensure we were ready for the actual Assessment. We submitted our application to the Commission to be assessed and are scheduled for the two-day process on April 27 and 28.

The Sergeants Process Oral Boards, last phase in the process to appoint a new sergeant, was held this month. Following this, Andrew Kularski accepted the appointment offer and began his new duties on the 25th.
