Fairly uneventful month, save for the notice of my retirement effective the end of day on June 30. Much time was spent in year-end training of all officers and supervisory training for recently promoted Sgt. Kularski.

This will be my final Monthly Report to the Town. The finalization of data, calendar events, and training records cannot be completed until the close of each month and by that time for June I will be retired. It has been an absolute honor for me to serve the Town for the last 33½ years. I have been blessed with the recognition from others of my abilities that took me from a Patrol Officer all the way to the Chief's chair. I hope I leave a legacy of professional, community oriented policing to the Town and that the Department will continue in this direction under its new leadership.

Complaints against Employees: None

Commendations to Employees:

- Officer Chris Rogers for assisting a patient suffering from a stroke.
- Monica Maciel for a CPR save using Emergency Medical Dispatch.
