

## MONTHLY REPORT May 2022

Below is a summary of the Ayer DPW's operations for the month of April. The Ayer DPW provides critical essential services to the Town of Ayer including water supply, wastewater collection and treatment, road safety, solid waste disposal, vehicle and equipment repairs and business operations.

Below is a summary of our monthly work project status and a summary of monthly work orders completed.

### **Engineering and Administration**

- Working on 25% Main Street Transportation Improvement Project Design. Setting up a meeting with MassDOT to review design exception in order to have wider sidewalks on Main Street.
- West Main Street (MassWorks Grant) construction continues
- Subdivision inspections – Woodland Way, Curley Circle, Panther Place, and Littleton Rd.
- Site Plan inspections at Catania Spagna
- Coordinating construction of East Main Street Upgrade (MassDOT). Final Paving performed on East Main Street
- Construction coordination for Spectacle Pond Wellfield PFAS Treatment Plant.
- SB Contract for Road Paving and Treatment.
- SB update on bridges and planned path moving forward.
- Continue WWTP Phase 3 Upgrade (biosolids dewatering and waste pump upgrades)
- Implementing plan to operate Woodlawn Cemetery, no burials in May, general maintenance performed, building Cemetery Management Software
- Continue water meter upgrades
- Processed and approved Road Opening Permits, Trench Permits and Water & Sewer Connection Permits.
- Continued Park Street Engineering Study (grant)
- Continued Stormwater Asset Management Grant implementation
- Continue implementing SmartGov permitting software
- Planning Board Reviews: 22 Fitchburg Road
- Continued assisting with Kiddie Junction Playground Replacement
- Continue negotiating Devens Agreement changes for wastewater discharge, SB executed amendment extending existing agreement until April 1, 2022, negotiated flow changes into amendment for April 1 through June 30
- Continue involvement in ASRSD Fields Committee
- Continue selling transfer station stickers for CY2022
- Assisting Conservation Commission with public access to Flannagan Pond project
- Assisted with Cell Tower Lease RFP
- Continue Construction of Water Main and Drain Improvements for Birch and McDowell Streets
- Continue Main and Central Ave Pump Station Valve Replacements
- Continue Main St lights project
- Continue assisting Senior Center location work group

- Installed rain garden near 132 Oak Ridge Drive
- Replaced culvert on Nashua Street
- Begin planning activities to demo old dog pound
