In personnel news, Recruit Officers Jake Minear and Alexia Surprenant are doing well at the Fitchburg State University Academy and have passed their half-way point. If all goes well they should be graduating September 9th.

On June 21st the police department was awarded accreditation status by the Massachusetts Police Accreditation Commission. The accreditation status is active for 3 years, when we will be re-assessed that we have been in compliance with all standards throughout the time span.

The Police Department submitted its 1st ever request for officer recertification with the POST Commission, for officers whose last name begins with “A-H”. Officer certifications are valid for 3 years, when they will have to be recertified.

All employees completed their yearly in-service training. This isn’t only an accomplishment for the officers being trained, it is also one for the training team who teach and/or track on-going training standards.

Complaints against Employees:

- Citizen Complaint: General Complaint – Unfounded
- Internal Complaint: Policy Violation – Investigated, Department Member has been counseled

Commendations to Employees:

- Chief Recognition to the Selectboard: Field Training Officers – for field training 4 new officers all at the same time
- Chief / Citizen Recognition: George Fichter / Tim Ialeggio - for taking the time to assist a TT Unit who had gotten stuck.

Training officers attended during the month, either collectively or individually, were in the areas of:

- Post Promotion Suicide Prevention
- CISM
- Accreditation Manager Training
- Negligent Hiring Liability
- Firearms Instructor Certification / Recertification
- CJIS Certification
- EMD Re-Certification
- NEMLEC Monthly Training

In total the Department spent 142 hours in training for the month.
