MONTHLY REPORT

August 2022

Below is a summary of the Ayer DPW's operations for the month of August. The Ayer DPW provides critical essential services to the Town of Ayer including water supply, wastewater collection and treatment, road safety, solid waste disposal, vehicle and equipment repairs and business operations.

Below is a summary of our monthly work project status and a summary of monthly work orders completed.

Engineering and Administration

- Working on 25% Main Street Transportation Improvement Project Design.
- West Main Street (MassWorks Grant) construction continues
- Subdivision inspections – Woodland Way, Curley Circle, Panther Place, and Littleton Rd. Street Acceptance petitions for Woodland Way and Riley Jayne Farm.
- Site Plan inspections at Catania Spagna
- Coordinating construction of East Main Street Upgrade (MassDOT), punch list
- Construction management for Spectacle Pond Wellfield PFAS Treatment Plant. PFAS Treatment became operational in July 2022.
- SB receives update on drought status and impacts to Town water supply. Town implements outdoor water ban on August 4th.
- Continue WWTP Phase 3 Upgrade (biosolids dewatering and waste pump upgrades)
- Implementing plan to operate Woodlawn Cemetery, general maintenance performed, building Cemetery Management Software
- Continue water meter upgrades
- Processed and approved Road Opening Permits, Trench Permits and Water & Sewer Connection Permits.
- Continued Stormwater Asset Management Grant implementation
- Continue implementing SmartGov permitting software
- Zoning Board Reviews: 65 Fitchburg Road
- Continued assisting with Kiddie Junction Playground Replacement, bidding for Phase 1 demo complete
- Devens Wastewater Agreement executed by SB and MassDevelopment
- Continue involvement in ASRSD Fields Committee
- Continue selling transfer station stickers for CY2022
- Assisting Conservation Commission with public access to Flannagan Pond project
- Complete construction of water and sewer improvements on Westford Road
- Continue Main and Central Ave Pump Station Valve Replacements
- Continue Main St lights project
- Continue assisting Senior Center location work group
- Continue planning activities to demo old dog pound
- Paint bike lanes and curb extension interim traffic calming measures on Main Street
- Develop paving projects for CY 2022
- Bidding and permitting Spectacle Pond Transmission Main Replacement
