Dan Van Schalkwyk, P.E., Director Kimberly Abraham, Water and Sewer Superintendent Matt Hernon, P.E., Town Engineer Pam Martin, Business Manager

25 BROOK STREET AYER, MASSACHUSETTS 01432 T: (978) 772-8240 F: (978) 772-8244

MONTHLY REPORT

April 2023

Below is a summary of the Ayer DPW's operations for the month of April. The Ayer DPW provides critical essential services to the Town of Ayer including water supply, wastewater collection and treatment, road safety, solid waste disposal, vehicle and equipment repairs and business operations.

Below is a summary of our monthly work project status and a summary of monthly work orders completed.

Engineering and Administration

- Continue evaluation of Stormwater Utility with Tighe and Bond
- Working on 25% Main Street Transportation Improvement Project Design, Design Justification Workbook comments received from MassDOT
- West Main Street (MassWorks Grant) construction continues
- Subdivision inspections Woodland Way, Curley Circle, Panther Place, and Littleton Rd.
- Continue WWTP Phase 3 Upgrade (biosolids dewatering and waste pump upgrades)
- Implementing plan to operate Woodlawn Cemetery, general maintenance and burials performed, building Cemetery Management Software. Commission met on April 10th.
- Continue water meter upgrades
- Processed and approved Road Opening Permits, Trench Permits and Water & Sewer Connection Permits.
- Continued Stormwater Asset Management Grant implementation
- Continue implementing SmartGov permitting software build
- Planning and Zoning Reviews: Nasoya Site Plan Review, 14 Washington Street (Old Fire Stn)
- Continued assisting with Kiddie Junction Playground Replacement
- Assisting Conservation Commission with public access to Flannagan Pond project
- Continue Main and Central Ave Pump Station Valve Replacements
- Continue Main St lights project materials received except pole bases
- Continue assisting Senior Center location work group
- Continue planning activities to demo old dog pound
- Assist PACE and Silent Springs with water modeling and historic information for the public health study
- Select Board present and discuss intersection of Groton Harvard Road and Central Avenue,
- Ongoing capital and operating budget process for FY2024
- Town meeting
- Continue design of I/I rehabilitation on Sandy Pond Road sewer main
- Sandy Pond Road sidewalk or shared use path conceptual design complete (from Beach to Westford Road)
- Continue assisting with pocket forest grant project
- Several members of DPW attended Asbestos Cement Pipe Training class, setup by the Water and Sewer Supt and primarily paid for with a grant
- New Highway Utility Person started

- Wright Way Pump Station continue design and permitting
- Attend Earth Day Event on McPherson Road with a booth setup for stormwater and wastewater education (Director, Town Engineer, Civil Engineer)
- Interviewed and hired Billing and Admin Assistant
