MONTHLY REPORT June 2023

Below is a summary of the Ayer DPW's operations for the month of June. The Ayer DPW provides critical essential services to the Town of Ayer including water supply, wastewater collection and treatment, road safety, solid waste disposal, vehicle and equipment repairs and business operations.

Below is a summary of our monthly work project status and a summary of monthly work orders completed.

Engineering and Administration

- Continue evaluation of Stormwater Utility with Tighe and Bond
- Working on 25% Main Street Transportation Improvement Project Design, Design Justification Workbook comments received from MassDOT, prepared response
- West Main Street (MassWorks Grant) construction completed, punch items being worked on
- Subdivision inspections – Woodland Way, Curley Circle, Panther Place, and Littleton Rd.
- Continue WWTP Phase 3 Upgrade (biosolids dewatering and waste pump upgrades)
- Implementing plan to operate Woodlawn Cemetery, general maintenance and burials performed, building Cemetery Management Software. Commission did not meet in June, five burials in June
- Continue water meter upgrades
- Processed and approved Road Opening Permits, Trench Permits and Water & Sewer Connection Permits.
- Continued Stormwater Asset Management Grant implementation
- Continue implementing SmartGov permitting software
- Planning and Zoning Reviews: Nasoya Site Plan Review, 14 Washington Street (Old Fire Stn), 201-205 West Main Street, Stratton Hill
- Continued assisting with Kiddie Junction Playground Replacement
- Assisting Conservation Commission with public access to Flannagan Pond project
- Continue Main and Central Ave Pump Station Valve Replacements
- Continue Main St lights project – work completed in June
- Continue assisting Senior Center activities
- Continue planning activities to demo old dog pound
- Assist PACE and Silent Springs with water modeling and historic information for public health study
- Select Board – update on Stormwater Utility, Change Order 1 Third Street Water and Drain, Grove Pond Well Production and Clearwell Storage – revised outdoor water ban, Sandy Pond Road complete street update
- Advertise bids for I/I rehabilitation on Sandy Pond Road sewer main
- Sandy Pond Road sidewalk or shared use path in-house design (from Beach to Westford Road)
- Wright Way Pump Station complete permitting, begin bidding
- Completed staff annual reviews
- Working with MassDOT to replace water main on Willow Road near intersection project
- Began Youthworks Program (ad, interviews, supervisor, program, first group started in June)

- Met with CPF and Nasoya regarding water conservation and alerting them to our issues with Grove Pond WTP
- Provided trucks and personnel for 2 Touch-a-Truck events
- Begin implementation of a 4-way stop at Central Ave and Groton Harvard Road to be implemented on July 26
