## MONTHLY REPORT July 2023

Below is a summary of the Ayer DPW's operations for the month of July. The Ayer DPW provides critical essential services to the Town of Ayer including water supply, wastewater collection and treatment, road safety, solid waste disposal, vehicle and equipment repairs and business operations.

Below is a summary of our monthly work project status and a summary of monthly work orders completed.

### **Engineering and Administration**

- Continue evaluation of Stormwater Utility with Tighe and Bond
- Working on 25% Main Street Transportation Improvement Project Design, Design Justification Workbook comments received from MassDOT, prepared response
- West Main Street (MassWorks Grant) construction completed, closed out grant
- Subdivision inspections – Curley Circle, Panther Place, and Shaker Pond Rd.
- Continue WWTP Phase 3 Upgrade (biosolids dewatering and waste pump upgrades)
- Implementing plan to operate Woodlawn Cemetery, general maintenance and burials performed, building Cemetery Management Software. Commission did not meet in June, five burials in June
- Continue water meter upgrades
- Processed and approved Road Opening Permits, Trench Permits and Water & Sewer Connection Permits.
- Continued Stormwater Asset Management Grant implementation
- Continue implementing SmartGov permitting software
- Planning and Zoning Reviews: 201-205 West Main Street, Stratton Hill
- Continued assisting with Kiddie Junction Playground Replacement
- Assisting Conservation Commission with public access to Flannagan Pond project
- Continue Main and Central Ave Pump Station Valve Replacements
- Continue Main St lights project – work completed in June, awaiting furnishment of flag and banner arms
- Continue assisting Senior Center activities
- Continue planning activities to demo old dog pound
- Assist PACE and Silent Springs with water modeling and historic information for public health study
- Select Board – ratified agreements for West Main Street Emergency Sewer repair, awarded Sandy Pond Road Sewer Rehab Project, Executed change order 2 for MassWorks West Main Street project, received updates on water supply, the 4-way stop of Central Ave and Groton Harvard Rd, and discussed Wednesday hours at the transfer station
- Sandy Pond Road sidewalk or shared use path in-house design (from Beach to Westford Road)
- Wright Way Pump Station bidding
- Working with MassDOT to replace water main on Willow Road near intersection project
- Continue Youthworks Program (ad, interviews, supervisor, program, first group started in June)
- Implemented a 4-way stop at Central Ave and Groton Harvard Road on July 26
- Met Ayer's new social worker
