July 2023

Clerk's Office Breakdown

- New office furniture was purchased during the month of July including a bookcase and locking cabinet/file drawer combination unit.
- The last of the items ordered for our Town table setup at the 2023 Newton Street Folk & Arts Festival have arrived.
- We ran out of dog tags after sending out delinquent letters to residents who, according to our records, own a dog but have not obtained a dog license. This has enabled us to clean up our Rabies List and remove deceased animals as well as people who no longer live in Town. The process of licensing dogs and maintaining accurate lists and records is being looked at and changes/updates are being considered.
- Christina was elected President of the AFSCME93 Town Hall Clerical Union at the July 26th meeting.
