MONTHLY REPORT

August 2023

Below is a summary of the Ayer DPW's operations for the month of August. The Ayer DPW provides critical essential services to the Town of Ayer including water supply, wastewater collection and treatment, road safety, solid waste disposal, vehicle and equipment repairs and business operations.

Below is a summary of our monthly work project status and a summary of monthly work orders completed.

Engineering and Administration

- Continue evaluation of Stormwater Utility with Tighe and Bond, Advisory Workgroup Meeting scheduled for September 12
- Working on 25% Main Street Transportation Improvement Project Design, Design Justification Workbook (DJW) comments received from MassDOT, revised DJW submitted on August 8 to MassDOT
- Subdivision inspections – Curley Circle, Panther Place, and Shaker Pond Rd. Received request for Street Acceptance for Curley Circle subdivision.
- Continue WWTP Phase 3 Upgrade (biosolids dewatering and waste pump upgrades). Project is substantially complete, awaiting long lead time parts to finalize project.
- Implementing plan to operate Woodlawn Cemetery, general maintenance and burials performed, building Cemetery Management Software. Commission met on August 28th, one burial in August
- Continue water meter upgrades
- Processed and approved Road Opening Permits, Trench Permits and Water & Sewer Connection Permits.
- Continued Stormwater Asset Management Grant implementation
- Continue implementing SmartGov permitting software
- Planning and Zoning Reviews: 201-205 West Main Street, Stratton Hill, 29 Harvard Road, 97 Fitchburg Road site meeting
- Continued assisting with Kiddie Junction Playground Replacement
- Assisting Conservation Commission with public access to Flannagan Pond project
- Continue Main and Central Ave Pump Station Valve Replacements
- Continue Main St lights project – work completed in June, awaiting furnishment of flag and banner arms
- Continue assisting Senior Center
- Continue planning activities to demo old dog pound
- Assist PACE and Silent Springs with water modeling and historic information for public health study
- Select Board – rescinded award for Sandy Pond Road Sewer Rehab Project, received updates on water supply, West Main Street BRI, and a Complete Streets Grant Award
- Sandy Pond Road sidewalk or shared use path in-house design (from Beach to Westford Road)
- Wright Way Pump Station project bid, results were high, evaluating options to move forward. Met with residents and their Attorney.
- Working with MassDOT to replace water main on Willow Road near intersection project

- Youthworks Program came to an end mid-August
- Debrief meeting and make minor changes to new 4-way stop (Groton Harvard Road at Central Ave)
- Obtain proposal for drainage upgrade design work for FY24
- Assist with Fab5 Event
- Meet new railroad operator, Genesee & Wyoming
- Install new speed feedback signs for school zone, received through grant
- Begin process to hire WWTP Plant Operator
- Utility Coordination meetings for West Main Street Bridge
- Received Water and Sewer Rate Model training
- Continue assisting with Hazard Mitigation Plan development
- Meet with Town's consultant and Army regarding production issues at Grove Pond WTP
- Rate Review Committee begins meeting to discuss Transfer Station Rates
